

Political Cartoon Project Handout

Your assignment is to draw a political cartoon expressing your point of view over a topic during the Era of Imperialism. Possible topics you could argue for or against are the Spanish-American war, the building of the Panama Canal, the White Man's Burden or any other topic concerning the Era of Imperialism. Your cartoon must have the following:

- The content of the cartoon is accurate historically to the topic. And your point of view is clearly evident.
- The cartoon has all 5 conceptual elements of a political cartoon: caricature, exaggeration, symbolism, satire, and a caption(s).
- The cartoon can be clearly read, it is very understandable, and drawn with precision.
- The cartoon is clearly original with no elements borrowed from examples.
